## Course Overview:

High standards of financial management are central to the delivery of public sector. Participants and their organizations will benefit from increased knowledge of modern public financial management practices and the high standards expected of the public sector. With this knowledge, participants will be able to review the resource allocation mechanisms and budgetary and financial controls within their organizations and ensure that resources are better planned and controlled, consistent with organizational priorities.

Prospective donors attach growing importance to effective financial management. One aim of this programme is to help countries pass these tests by increasing and deepening knowledge of good financial management practices throughout their public sector. It is designed for policy makers, financial practitioners and line managers with financial and resource management responsibilities.

### Course Outlines:

- Understanding the key elements of and good practice in public financial management
- Medium-Term Expenditure Frameworks (MTEF) and planning
- The principles of good governance in a modern public sector, including institutional arrangements and organizational responsibilities for PFM
- Effective resource allocation in support of the strategic objectives of the organization
- Policy-based budgeting and controls linked to MTEF and to outputs and outcomes
- Accounting, recording, monitoring and reporting
- Effective budget management
- Tax and revenue management
- Debt management

### Course Objectives:

**Through this programme, participants shall learn how to;**

- Implement stable planning and budgeting frameworks to assist economic and financial management, propriety and efficiency in the public sector
- Contribute to and assist in implementing medium-term financial planning and effective planning and budgeting in the public sector
- Link the role of budgeting to performance management and resource allocation

### Target Participants:

- Directors of Finance/Accounts/Budget
- Head of Accounts & Audits
- Accountants & Auditors
- Bursars
- Budget Officers
- Treasurers
- Project Accountants/Programme Managers
- Finance & Budget Appropriation Officers
- Strategic Financial Officers
